A proud affiliate of the
Greendale Park & Rec

Established in 2003, Greendale Community Theatre (GCT) and its members are **PASSIONATE ABOUT THE ARTS.**

With our growing reach and popularity, we are proud to be at the leading edge of producing contemporary musical theatre, and we encourage all our cast, crew and patrons to be responsible, active members of a strong community. Which is why our mission as a theatre is to **redefine "community" theatre.**

As part of this mission, GCT has established a tradition of giving back to the community. In the past six years, with the help of our sponsors and the valuable patrons of GCT, we have donated an incredible \$35,783 to LOCAL CHARITIES in the Milwaukee area, helping those less fortunate than most of us.

We are reaching out to ask you to join in our mission of supporting our community – businesses, non-profit charities and especially community residents, your patrons.

Your assistance will not only help to support our endeavors as a theatre, bringing quality and affordable performances to an average of 2,000 – 3,000 people per production, but it will also help us grow our awareness and ultimately help give back to those in need in the Milwaukee area.
